Calendar

Fudan University’s calendar is issued in May every year. Once the calendar is issued, important dates of the next academic year will be posted on FAQ.

If you need to plan your visit before the calendar comes out, the rule of thumb is that usually the fall semester starts in early September and lasts 18 weeks to end in mid-Jan, including 17 weeks of lecturing and 2 weeks of exams. Usually our EMA (Chinese Economy/Finance) courses in the fall semester are finished before Christmas, and so are most short courses. But the other long courses are not. If you go home for Christmas please pay attention to the planned exam time of each course you want to take. The spring semester starts in late February and also lasts 19 weeks. The EMA courses and most short courses in the spring semester usually finish before the end of May. But the other courses do not.

Registration for the spring semester of 2018 will be Feb. 28, classes will start on March 5 and the semester will end on July 6.

Accommodation

Foreign exchange students can apply for on-campus dorm rooms which are in the charge of the university’s International Students Office, and the information about the dorm can be found at http://www.iso.fudan.edu.cn/houses.htm. The brochure that accompanies the visa and admission documents instructs how to book a dorm room online during the period specified by Fudan International Students Office, and the time for dorm booking will be posted on the ISO website several weeks before the registration date. If you miss the reservation deadline, or are just on the waiting list, you may consider renting an apartment around campus. If you encounter any problem when booking online please immediately contact the ISO to get it solved in case the rooms run out. It is hard to get a dorm room. It might be a good idea to reserve Tohee early or rent an apartment after you arrive. For details please read our FAQ.

Insurance

The insurance specified by Fudan University is compulsory. For your own good please remember to purchase it at the foreign students dorm after you arrive regardless of the insurance you purchase at home. The price is 400 yuan for one semester and 800 yuan for one year.

Buddy

Your buddy will email you before you arrive and help you integrate into Fudan.
