How to Avoid Pitfalls

– Plan ahead! Know your study regulations!
– Start with your compulsory program in both major and minor (semester 1 & 2). Fullfill restrictions first!
– Each compulsory module can only be repeated once.

– Change of minor is possible, but be aware of different compulsory programs.

– Part-time work is possible, but there is no credit transfer.
– You might need a confirmation (for students from third countries), see www.oec.uzh.ch/en/studies/student-life/studies-work.html

– Examinations: no show at examination means failed attempt!
– No booking means no possibility to get a grade!
