In a nutshell

When you graduate, you become part of a world-class network: Our alumni community! Here you can build your professional network, learn about the latest topics or continue your education – and stay in touch with former fellow students, current students and the Faculty.

Harald Rudolph
Product management expert, Pro Juventute
“It is amazing how much you can learn from other generations.”

Fabienne Schaub
Operations Manager, Schaub Maler AG
“You cannot get far alone – a network helps.”

Brice Zanetti
Chief Relationship Officer & Co-Founder, Everon AG
“Alumni open up new perspectives and promote personal development.”

Mentoring program

Many questions arise before graduation: What job is right for me? How can I start my career successfully? What can I expect on the job? Who better to answer these questions than alumni? Mentor current students for a year and share your experience and knowledge.

Advantages for mentors	Advantages for mentees
Promoting and supporting young talent	Discuss individual questions about work and career planning
Reflection on profession, industry and career path	Benefit from the experience and network of alumni
Expand your own network	Expand your own network
Exchange with other mentors and the current generation of students	Develop an understanding of the world of work and learn from practical examples

Apply now

Mentor and mentee applications are possible from mid-September to mid-October.
