Pitfalls & how to avoid them (1/2)

Deadlines are deadlines!

- Module booking: Be on time for booking your courses.
Deadline is 6 October 2026 at midnight!
- Booking a module is registering for the exam and is binding!

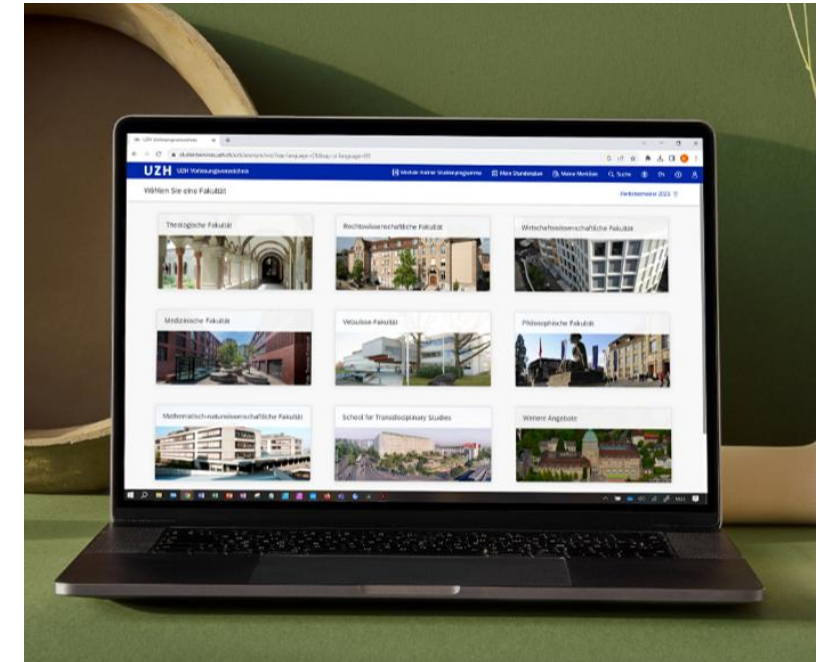

Fulfilling program requirements

- Start early in setting up a „master plan“, begin with mandatory courses

Repetition of Modules

- Failed compulsory modules may be repeated only once. Substitution is not permitted.
- Don't take too many courses at first and be aware: some courses have high failing rates (ask tutor/peers)

Pitfalls & how to avoid them (2/2)

Seminars

- A number of ECTS credits must be earned from seminars (for details see program regulations):
 - For OEC students: At least 9 ECTS
 - For INF students: Between 3 and 12 ECTS
- Good seminars are often popular at UZH. Register early! Information about the seminars can be found on the program website.

Admission to MA with additional requirements

- Complete Bachelor's courses first and focus on them
- Attention to deadlines

Exchange semester

- Want to spend a semester abroad? Plan ahead and mind requirements (e.g. TOEFL) and registration deadlines

Technical Advice (1/3)

Digital identity

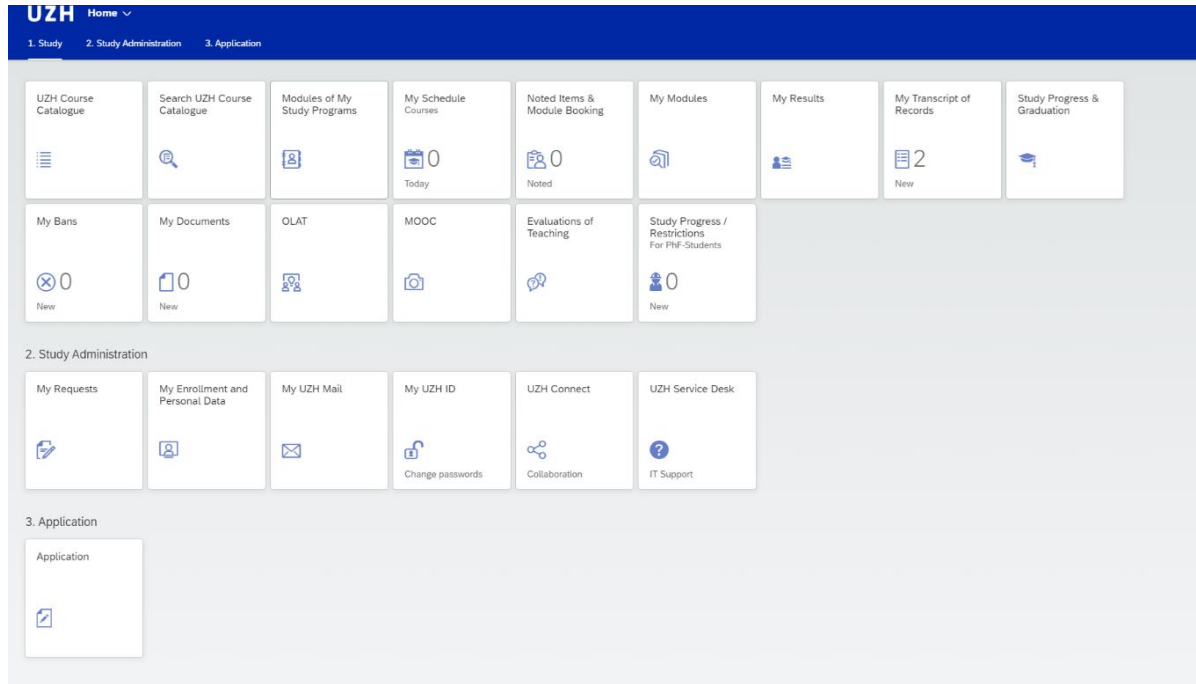

- Identity UZH
- Organize and setup your accounts / passwords (e-mail, VPN, shortname, WLAN, etc.)

Webmail

- Webmail UZH
- E-Mail UZH
